

2020 Syrah North Coast

This 100% Syrah is a blend of components from some of our favorite vineyards on the north coast. The driveway rows at Castelli-Knight Ranch, barrels from Vine Hill that don't make the cut, some ethereal barrels from Alder Springs on occasion, in other words, the good stuff that isn't good enough to be vineyard-designated. This wine guarantees the quality of our top end wines while creating a unique blend of all the great terroirs together, creating one very compelling and over delivering bottle of Syrah.

Tasting Note:

Aromas of black pepper, blackberries, black olives and cooked strawberries. Textured and loaded with spicy black and vibrant red fruits, black pepper and white flowers. Medium bodied and everything you'd expect from cool climate Syrah with the tell-tale pepper, spice and exotic meaty flavors. Some spicy tannins add a delicious firmness that promise a long and graceful evolution.
