

2021 Gamay Noir
Bearg Vineyard
Fountain Grove Distric

Bearg Ranch is located high up in the Mayacamas Range and sits at the mid-way point between Santa Rosa & Calistoga. The diversity of soils and expositions create ideal spots for growing multiple varieties on this rolling mountain top. The Gamay sits on a flat piece of soil that is dark and rich from years of mountain runoff.

Tasting Note:

Savory and bold, this decadent Gamay shows intense fruit but it is the savory umami wrapper that steals the show. Textured and silky but light on its feet, this is the ideal mid-weight fall wine. Plums, Cinamon, dark berry fruit, textured and luxurious... our best yet.
