

## 2021 Syrah North Coast

This 100% Syrah is a blend of components from some of our favorite vineyards on the north coast. Syrah sites chosen for their uniqueness and for their ability to express the diverse terroir of the north coast, from the volcanic hills of eastern Sonoma County to the rolling hills of northern Mendocino County. Sites blended for freshness, density, and purity.

### Tasting Note:

Black Fig, olive tapenade and tarry purple fruit frame a stony mineral profile. Sweet black fruit leads into sweet red berries and crazy aromas of purple flowers and plums. Picks up weight with air... this one is just going to keep getting better with time.
